Preparing for and Applying to MD/PhD Programs

MD/PhD programs get fewer applicants than regular medical school, so they don't need to rely on your grades/scores as much to get through their huge stack of applicants I really believe they take a closer look at each applicant

Dr Guy Woodward (Imperial College London) - brief cv 2013 ...

- The PhD is simply a stepping stone in your career - only papers matter - so make sure you publish them!!!
- Plan strategically - where will your papers go and in what
- If your field is not being funded, adapt and survive - look for opportunities to evolve or your research will wither
- Set the research agenda yourself
